

Alumni Association Scholarships

In 1994, the Alumni Association decided to award a scholarship to a graduating senior from Albany High School. Originally the scholarship was for one student in the amount of \$200. That amount grew to \$600 each given to one boy and one girl from the graduating class. In 2014, the scholarship award was raised to \$1000 for each recipient. This is all possible through the generous donations from Albany Alumni and good money management and investments on the part of the Committee.
